Ref	User	Story / Feature	MoSCoW	LOE	Score	MVP Release	Comments
1	Admin	As an Admin user I want to be able create example matrices so I can display them to customers	Must	M	1	1	
2	Admin	As an Admin user I want to be able store example matrices I've created so they can be retrieved later.	Must	S	1	1	
3	Admin	As an Admin user I want to be able to retrieve matrices I've created so I can edit them	Must	M	1	1	
4	Admin	As an Admin user I want to be able to edit matrices I've created so I can improve them and save them for next time.	Should	M	5	1	
5	Admin	As an Admin user I want to be able to prevent customers from editing my master matrices.	Must	M	1	1	
6	Customer	As a Customer I want to be able to browse example matrices so I can understand them	Must	M	1	1	
7	Customer	As a customer I want to be able to create my own version of a matrix by inserting my own labels and text content so I can better apply it to my situation	Should	L	6	1	Not esesntial - would still work in most cases without individual box colour variation
8	Customer	As a customer I want to be able to change the colour of the boxes so I can better convey my message to my intended audience	Could	M	6	2	Not esesntial - would still work in most cases without individual box colour variation
9	Customer	As a customer I want to be able to save my own version of a matrix with a meaningful name so I can retrieve it in the future	Should	M	5	1	Fall back is to allow customer to provide a link to an image of a matrix they found and like
10	Customer	As a customer I want to be able to retrieve my saved matrices so I can continue editing or publishing them	Should	M	5	1	Linked story 9 - essential if 9 implemented
11	Customer	As a customer I want to be able to keep other people from viewing or editing my matrices	Should	L	6	1	If user log in achieved then this is covered but not essential for launch
12	Customer	As a customer I want to be able to share a completed matrix with other selected individuals	Could	M	6	2	Could initially be via screen grab only - then .pdf and email in later releases
13	Customer	As a customer I want to have the option to find out more about an example matrix - like view or a read a book or article on the subject	Could	L	7	2	
14	Customer	As a customer I want to be able to be able to 'rate' or 'score' existing matrices so I can feel like I'm contributing to the success of the site	Could	L	7	3	
15	Customer	As a customer I want to be able to be able to see how others have 'rated' or 'scored' existing matrices so I can check them out to see if they are useful to me	Won't	L	8	3	Linked to story 14 - implement together in later release
16	Customer	As a customer I want to be able to quickly find my favourite example matrices	Could	M	6	2	Not essentially - reconsider if fall back of url of favourite matrices adopted - see comment for story 9
