1						1	
2	Admin	As an Admin user I want to be able store example matrices I've created so they can be retrieved later. $ \\$	Must			1	
3						1	
4	Admin	As an Admin user I want to be able to edit matrices I've created so I can improve them and save them for next time.	Should			1	
5						1	
6	Customer	As a Customer I want to be able to browse example matrices so I can understand them	Must			1	
7						1	
8	Customer	As a customer I want to be able to change the colour of the boxes so I can better convey my message to my intended audience	Could			2	Not essesntial - would still work in most cases without individual box colour variation
9						1	
10	Customer	As a customer I want to be able to retrieve my saved matrices so I can continue editing or publishing them	Should			1	Linked story 9 - essential if 9 implemented
11						1	
12	Customer	As a customer I want to be able to share a completed matrix with other selected individuals	Could			2	Could initially be via screen grab only - then .pdf and email in later releases
13		As a customer I want to have the option to find out more about an example matrix - like view or a read a book or article on the subject				2	
14	Customer	As a customer I want to be able to be able to 'rate' or 'score' existing matrices so I can feel like I'm contributing to the success of the site	Could			3	
15						3	
16	Customer	As a customer I want to be able to quickly find my favourite example matrices	Could			2	Not essentially - reconsider if fall back of url of favourite matrices adopted - see comment for story 9
